

PROJECT

City Logistics Center

LOCATION

Durazno, Uruguay

INFORMATION

Area: Industrial infrastructures
 Market: Planning and urban development
 Year of completion: 2017
 Final client: Intendencia de Durazno (Uruguay)
 Our work: Preliminary design

DESCRIPTION

The main aim of this project was to gather all services related to works and logistics of the Local City Hall in one place, in order to improve the efficiency and quality.

SOLUTION

RDA was commissioned to elaborate the Masterplan of a new logistics center with a total surface of 258.333 sq. ft. The project included the design of workshops, offices, fuel pumps, parking lot and machinery.
